Email Spring Care	3800	1180	33.05	810.26%	31.05%
Email Summer Kickoff	3900	1200	33.33	800.00%	30.77%
Total	**235900**	**51160**	**145.82**	**148.39%**	**21.69%**

Channel Performance

- Best Channel: Email
- Moderate: Social Media
- Weak: Offline Events

Key Insights

- • ROI varies significantly by channel
- • Spend ≠ Performance

Recommendations – Short Term

- Increase Email & high-ROI Social campaigns
- Reduce low ROI Events

Recommendations – Long Term

- Audience targeting
- Performance-based influencer deals

Conclusion

- Data-driven marketing allocation maximizes ROI and growth
- Analyze Power BI dashboard and supports quarterly budget reallocation based on performance
